IL Cares RX Circuit Breaker

The Illinois Department on Aging's Circuit Breaker program provides grants to senior citizens and persons with disabilities to help them reduce the impact of taxes and prescription medications on their lives. When the costs of property taxes and prescription medicines begin to "overload" our seniors and persons with disabilities, this program steps in to help, just as a circuit breaker prevents overloads in an electrical system.

Though April showers may come your way,

They bring the flowers that bloom in May.

So if it's raining, have no regrets,

Because it isn't raining rain, you know, (It's raining violets,)

And where you see clouds upon the hills,

You soon will see crowds of daffodils,

So keep on looking for a blue bird, And listening for his song,

Whenever April showers come along.

Welcome Ken Williams!

Ken is our new Senior Services Director! Ken came from our down town office as an outreach worker. He has been with the agency since September 2010.
